A warrant was issued yesterday for  
the arrest of Bert Bramer, senior and  
Wm. Smith and one Christy,  
on a charge of assault and battery on Frank  
W. Wednesday night in a Cook  
house. The complainant states  
that he went to see these men to collect  
but instead they forced him into  
the house, locked the door and put  
him at their reach. They then pro-  
ceeded to pummel him into a jelly, he  
and the results of their pugilistic

Beretania-street school, corner  
Beretania and Piliol streets, was run  
over yesterday at the noon hour by a  
car driven by Mr. Beardsley, but  
he was not much hurt. Mr.  
Beardsley was driving toward town at  
the time, without warning,  
he ran into the street and  
the car ran into the horse. Before  
the horse could turn in the ani-  
mal was knocked down. That  
he was not much hurt was evidenced  
by the fact that he was able to get  
up and run for a while which he had  
done before.

Principal Townsend of the  
school gave him a ticket and Charlie  
was taken home by his

There are again complaints of  
the manner in which hackmen  
turn at night. The bicyclists  
are the victims of using a narrow  
passage on either side of the car track,  
and are constantly menaced by drivers  
of vehicles using the  
side of the street. Bicyclists  
are the most exposed to the way to  
the harbor trip than on the makai.  
The greatest danger comes from ve-  
hicles which have their lights placed  
in front of the car, and which can-  
not be seen until the animals are al-  
ready in the way. It is said that the  
Legislator will make known their dif-

the bankruptcy of the paper. He has  
been engaged to engage in  
theater management. While a dramatic  
manager he made an enviable record, and  
has been successful in running up against his  
rivals. Mr. Miller is now one of the  
most prominent men in the financial world  
of Salt Lake City. He also represents  
the New Central Life Insurance Com-  
pany of New York. Mr. and Mrs. Mil-  
ler came to Honolulu merely for  
pleasure, and before returning to Utah

cottage on Young street, near Piliol,  
is offered for rent for a gentleman or  
a couple. Electric lights, hot-water

tania and King street cars are fea-  
tures worth considering.

## MERCHANTS' ASSOCIATION.

San Francisco Organization Writes  
to Congratulate Honolulu.

The following letter has been received  
by W. W. Dimond from the San Fran-  
cisco Merchants' Association, the presi-  
dent of which, F. W. Dohrmann, was  
here a few months ago:  
W. W. Dimond, Esq., Honolulu, H. I.  
Dear Sir: Through the courtesy of  
President Dohrmann, it afforded us  
great pleasure to read in your commu-  
nication of the 30th ult., with the ac-  
companying copy of the Commercial Ad-  
vertiser, that the Merchants' Association  
of Honolulu had been auspiciously or-  
ganized. It is gratifying to note that our  
constitution and by-laws were deemed  
worthy of adoption by your organiza-  
tion. These simple rules of procedure  
have so far answered admirably for the  
government of this association from its  
very inception.

You have probably noticed the Review,  
a monthly publication issued by the  
board of directors of this association.  
It is in its fifth year and has served a  
useful purpose in reviewing the pro-  
ceedings of our board of directors and  
keeping the members in constant touch  
with the work of the association. If you  
will kindly send us a list of your mem-  
bers, we will be glad to place each of  
them upon our complimentary mailing list.  
The Review will probably prove of  
some interest and may awaken civic  
pride and enthusiasm, the keynote of mu-  
nicipal progress.

Extending to you and your fellow di-  
rectors and members the hearty con-  
gratulations of our board of directors,  
and assuring you of our continued plea-  
sure to be of any further service to our  
young sister association, we remain,  
Cordially yours,  
MERCHANTS' ASSOCIATION.  
J. RICH'D FREUD,  
Secretary.

ciation will soon meet in Charlotte, N.  
C., to arrange for a curtailment of pro-  
duction of from 33 to 50 per cent.

Governor Nash of Ohio is prepared to  
call out the militia if necessary to pre-  
vent the proposed prize fight between  
Jeffries and Ruhlman in Cincinnati.

Joe Boot, the confederate of Pearl  
Hart, the stage robber, has escaped from  
the Phoenix penitentiary, where he was  
serving a sentence of ten years.

Tod Sloan's action in purchasing  
horses in California is considered likely

Improper feeding kills more  
babies than all the contagious  
diseases. Improper food sets

## TAROENA

Today commands a larger sale  
in this city than all other pre-  
pared foods combined. Why?  
Because it contains real merit.  
It does all that is claimed for  
it. It is a perfect food supply-  
ing all the needs of the body.  
A great many children have  
been raised on it. Taroen-fed  
babies are strong, robust, hap-  
py little beings with a good  
start in life. It is preeminent-  
ly a food for this climate.

Invalids and dyspeptics find  
in Taroen a perfect diet.  
There is no food that will  
"stay down" like it in seasick-  
ness. Try it.
